PRESIDENT: Alright, now Senator Burbach has agreed to sepearate the motion here in that...well...just agreed to. So we will take up the Omaha situation in a sepearate motion. But at least for right now he has moved that we accept the center column and the right hand column on the sheet of schedule that he has passed out or that has been distributed. So that is the motion before us that we adopt that plan of operation for scheduleing. That is the one on the right hand side. Do you understand that? Alright the question is shall that plan then be adopted for us? All of those in favor vote aye, those opposed vote no. Do you understand that you are voting for the right hand plan only and that the issue has been sepearated regarding the Omaha invitation. Your voting on the right hand plan of the sheet, schedule here only. No omaha issue is involved in here now. We sepearated that. Senator Burbach has asked or has agreed to sepearate the issues. The two were not...just to sepearate the issues. The Omaha plans are not involved in what you are voting on now. Only the schedule sheet here on the right hand side. OK? Senator Carpenter for what purpose do you rise.

SENATOR CARPENTER: A point of order, how many votes does it take, 25?

PRESIDENT: I would say 25 to bind the body in this action. Alright. Clerk will record.

CLERK: 28 Ayes, 9 Nays and 12 not voting Mr. President.

PRESIDENT: OK, we have decided that issue. Now, Senator Burbach we still have the other part of the issue here involving the Omaha invitation.

BURBACH: I move that we decline the invitation to the Omaha Chamber of Commerce as extended to this body.

PRESIDENT: Alright, the motion is to decline the Omaha invitation. Now do you need to discuss that any further? All those in favor of declining...excuse me, Senator Stull.

SENATOR STULL: Could I amend that motion by his motion now so that we would we would be in session Monday and if necessary come back and work Monday evening and return at 8:00 Tuesday morning and work until lunch and then take and accept the invitation of the Omaha Chamber of Commerce. Now if you can get all of that in a vote. Maybe it would be easier to reject his motion.

PRESIDENT: The Chair would so rule Senator Stull. Thank you we appreciate your help. Alright the question is shall we accept the Omaha invitation or not, and the motion is that we decline the Omaha invitation. Now be careful. The motion is that we decline the Omaha invitation. All of those in favor of declining will vote yes, all those opposed will vote no. Have you all voted? The motion is to decline the Omaha invitation. All of those in favor of declining, vote yes, those opposed vote no.

SENATOR CARPENTER: It will take 25 votes?

PRESIDENT: Well that is a good one Senator Carpenter, I would say yes, 25 to bind the body to that acceptance. Alright, Clerk will record.

CLERK: 7 Ayes, 25 Nays and 17 not Voting.

PRESIDENT: OK, we have not declined the Omaha invitation. Now
